

Build your characters

Who is your hero/character?

What is their biggest **problem** or **flaw**?

How is this problem or flaw **affecting their life/world**?

What is causing this problem or flaw? What happened to make them this way?

What does your character **want**? What is their **goal**?
What do they believe will fix everything?

How have they been **working towards this goal**?

Why **haven't** they **achieved the goal** yet?

What does your character actually **need**? What is the lesson they will learn by the end of the story? What will really fix their life?
